Health Net Health Plan of Oregon, Inc. BeneFacts: Washington PPO Advantage Plan Copayment and Coinsurance Schedule WPT3025V2DX/07 AGC

PPO: Two plans, many choices. In health coverage, PPO stands for Preferred Provider Organization. For you, PPO means that you have flexibility and choice in deciding who will provide your health care. That’s because this plan lets you choose Providers in our PPO network or Providers out of our network. Your choice of Provider determines which benefit level applies to covered services and how much you will pay out-of-pocket. To confirm whether a Provider participates in our PPO network and to verify which benefit level will apply to a covered service, please contact one of our Customer Contact Center representatives.

PPO Benefits: When you receive covered services from Providers in our PPO network, your expenses include a Calendar Year deductible, fixed dollar amounts for certain services or a fixed percentage that is applied to our contracted rates with PPO Providers. *The percentage of our contracted rate that is your responsibility is shown on this schedule as % contract rate.*

When you receive covered services in our PPO network, you are not responsible for charges that are above our contracted rates. **Certain services are covered only if provided by a designated Specialty Care Provider. See Article 1.5 of the Basic Benefit Schedule.**

Out-of-Network Benefits: When you see a Provider who is not in our PPO network, your expenses include a Calendar Year deductible, fixed dollar amounts for certain services and a fixed percentage of Usual, Customary and Reasonable (UCR) rates for other services. We pay Out-of-Network Providers based on UCR rates, not on billed amounts. UCR rates may often be less than the amount a Provider bills for a service. Out-of-Network Providers may therefore hold you responsible for amounts they charge that exceed the UCR rates we pay. Amounts that exceed our UCR rates are not covered and do not apply to your annual out-of-pocket maximum. *Your responsibility for any amounts that exceed our UCR payment is shown on this schedule as UCR plus.*

Your benefits are subject to deductibles, Copayments and Coinsurance amounts listed in this schedule.

The deductible is waived for preventive care services covered under Article 7.24.
